**EXHIBITOR:** Any breeder or farm which presents animals or farm produce for official placing by a judge at the time specified by the fair for judging.

**BREEDING UNIT:** In each classification where the same or common interest are involved in more than one breeding operation, such operations are considered as ONE breeding unit. In all cases where there is any doubt that more than one breeding unit exists, the interpretation shall be that only one breeding unit exists. The responsibility of proof of separation of breeding units shall rest with the exhibitor(s).

**PUREBRED:** "Purebred" means an animal that is a purebred of the breed as determined by the by-laws of an association authorized to register animals of that breed.

2. Animals from the United States, having met import regulations, will be eligible for entry to the Chilliwack Exhibition. Any animals suspected of having any contagious disease could be ordered removed.
  3. In the event of a dispute, any veterinarian expense incurred shall be at the expense of the party in error.
  4. The Barn Superintendent will inspect the barn before 10:00 a.m. each day with the best interest of the show and exhibitors in mind. If by 10:00 a.m. any stall or animal has been neglected, the Superintendent shall have the animal and/or stall cleaned out. The owner/exhibitor will be charged a fee of \$5.00 per animal or stall. Continued negligence may result in the removal of the animal from the Exhibition.
  5. Exhibitors must furnish their own bedding.
  6. All cattle shown in groups must have previously shown in regular classes.

**TAMPERING WITH CATTLE:** Unnatural practices in fitting will not be tolerated and all cattle entered for competition shall be presented in the judging ring in their natural conformation and natural physical condition.
